

Hope and Healing International

Brand Reference — Fundraise Up Demo Page | Prepared for internal review

Typography

Headings: **Noto Serif** (Google Fonts), 500 weight, serif — used for hero title, section headings and campaign titles.

Body copy: **Nunito Sans** (Google Fonts), 400–800 weight — used for nav, buttons, paragraph copy and footer.

Color Palette

Primary Purple
#592C82

Deep Purple
(footer/mission bg)
#2D1641

Pink/Red Accent
(hugs)
#E31937

Emergency Red
#CF102D

Body Text
#2B2B2B

Primary Purple drives the nav Donate button, headings and outline CTAs. Deep Purple anchors the footer and the mission-quote band. Pink/Red marks the "hugs" wordmark and the footer link color. Emergency Red is reserved for the urgent Uganda Nutrition Crisis campaign.

Logo

The Hope and Healing International wordmark is hotlinked directly from the source site's CDN and is not re-hosted or embedded as base64.

Key UI Components

Component	Treatment
Header nav	White sticky background; text links (healinghugs, Gift Catalogue, Why Disability and Poverty, Our Impact, About Us, Ways to give) plus a solid Primary Purple "DONATE" pill — replaced in this demo by a hidden Fundraise Up element anchor.
Hero	Full-bleed campaign photo with a left-to-right deep-purple gradient scrim; serif "Hope" headline, bold subhead, solid white "Shop Now" button linking to the gift catalog demo.
Campaign split sections	Two-column layout alternating image/copy order; serif campaign title, bold dollar-impact line, outline "Learn More" + solid purple "Donate Now" (Miracles), or solid red "Donate Now" (Uganda Nutrition Crisis, grayscale photo treatment).
Mission band	Deep-purple full-width section, centered heart glyph and serif quote, supporting image below.
Footer	Deep-purple background, 4-column grid (legal/contact/accreditation badges/newsletter), pink link color, thin top divider for the legal line and social icons.
